Foreword

The Eternalization Field Guide

This guide does not originate in time.

It resounds from beyond the veil—delivered through death’s doorway—carrying the eternal voice of God into this dimension.

It was not written from thought, tradition, doctrine, or study. It was entrusted to me beyond the boundary of mortality, when I crossed the threshold of physical life and was absorbed into the Infinite—becoming one *with* and *as* the consciousness, mindset, and frequency of God. In that sacred stillness of my near-death experience, the eternal was revealed and sealed within me.

The frequency of God—the eternal signature of infinite intelligence and timelessness that formed all life—now calls to you. What has been hidden, veiled, and forgotten within the unconscious mind is revealed here. This is the most essential aspect of who we are, and it is meant to be remembered by all. It is why I was sent back.

These words are not new to you.

They are a remembrance.

This guide is not information alone, it is activation. It carries the vibrational key that unlocks your Edenic origin, awakens your divine identity, and seals your appointment as a **Certified Eternalization Specialist**: a transmitter of God’s Frequency in human form.

You were not born merely to exist.

You were chosen to be eternalized into the totality of Infinite Intelligence and timeless being.

Read. Reflect. Receive.

Allow each page to resonate through the chambers of your soul until you *know*—beyond doubt—that you are Eden returned, embodied.

Enjoy the journey!

The Ultimate Free Will Choice Everyone Will Make

Right now, all of humanity stands at the most profound moment in time ever. Their Ultimate Free Will Choice. To be or not to be. **To Eternalize — or Not Eternalize.**

Option A — Eternalize and Say “Yes” to eliminating fear and remembering who you truly are: infinite, timeless and God.

i Become a **Certified Eternalization Specialist** and remove fear at its root.

ii Say “Yes” and **activate God’s Predestined Abundance**

Period	Spiritual Consciousness Donation	Abundance Return	ROI
Year 1	\$1,716	\$369,238	21,517%
Year 2	\$1,548	\$963,120	62,217%
(onward)			

iii Say “Yes” and awaken the infinite potential of God within you — the full, timeless essence you have always been, are now, and will forever be.

iv Say “Yes” and quantify God’s infinite intelligence and timeless frequency of bliss and love.

Option B — Say “No” and let fear continue to create pain, scarcity, lack, limitation, disease, aging and death for your life

- i. Deny your true liberation from fear and freedom that is waiting to be remembered from within your unconscious mind for the fragility of the collapsing, fear-driven systems that will only enslave you more and more every day.
- ii. Stay imprisoned by fear, trapped in the dying monetary matrix, and deny the sovereignty your soul and spirit are waiting to claim.
- iii. Reject your true identity of infinite intelligence and timelessness and continue to condemn yourself to ongoing spiritual poverty: financial limitation, chronic stress, suffering, accelerated aging, and the absence of your true immortality.

This choice is everyone’s destiny.

Phase 1 of God's Frequency: Daily Activation and Tracking

Purpose: Daily align your inside mindset to the sacred resonance of God's Memories and Frequency from within your unconscious mind. Move beyond the clamor of your outer mindset's illusions, by attuning to the divine stillness of your inner knowing and unconscious mind, where your awareness becomes the voice of God.

A. Morning Peaking Activation

As you awaken, enter the sacred silence through peaking, align with the Frequency of God, allow your first breaths to be attuned with God. Start your day with consciousness harmonizing with your unconscious mind's eternal pulse of infinite intelligence.

- **Silent Peaking (10 min): Journal your impressions:**

- **Edenic Declaration Repetition:** ☐ "I am a carrier of God's eternal now remembering who I am" (Repeat 3x)
- **Breathwork / Movement:** *What did you sense or see during your peaking?*

B. Understand and journal what your AM Peaking Downloads mean for your day

Consciously receive, understand, and journal the divine downloads received during your morning peaking—allowing their sacred meaning to illuminate your path, guide your decisions, and align your entire day with the higher intention from God's Frequency.

- **Ask in Peaking:** *"What will you have me do, say, or reveal today?" Download Responses / Insights:* _____
- Discerned Eternal Assignments for Today: _____

C. Journal your daily Eternalization Expression

Anchor the unfolding of your divine essence by journaling your daily Eternalization Expression—capturing the vibrational truth of who you are becoming as a vessel of God's eternal light, and consciously recording how heaven's frequency flows through your thoughts, words, and actions as you are remembering the flow from your unconscious mind.

- ☐ I engaged with someone in eternal flow (Who? How?):

- ☐ I created/refined Edenic consciousness content (Topic or link):

- ☐ I responded to community needs (Name / Message):
-

C. Frequency Check-In (Midday + Evening)

Stay attuned and eliminate outside mindset interference during the day.

- Midday Pause: ☐ 3–5 minutes of stillness and peaking
 - Ask: “Am I broadcasting fear or light right now?” →
-

- ☐ I was able to recalibrate myself through a peaking.
-

- Evening Reflection: How did I eternalize today? _____
- What resistance did I overcome? _____

D. PM Peaking

Seal the day with your PM peaking, where reflecting upon your day becomes revelation, let God’s frequency recalibrate you, allow the vibrational imprint of God’s presence to anchor your consciousness in peace, wholeness, and eternal becoming, so you can easily drift off into a peaceful sleep.

- ☐ Peaked and gave thanks to God (What did you thank Him for?):
-

- ☐ Released control & surrendered outcomes
-

- ☐ Visualized Eden spreading (What did you see?):
-

E. Daily Grading

Ask: What portion of the day did you live in God’s frequency?

- **My Eternalization Score (0–10):** _____

Ask: What portion of the day did you live in your outside mindset?

- **My Fear Score (0–10):** _____

Phase 3- The Peaking Script

The Peaking Script

This is your Eternalization Specialist delivery flow of peaking—where your divine purpose completes itself to help others remember that they are God incarnate, meant to dismantle fear and its monetary matrix to usher in the new Eden where we become God in its entirety.

This is the most pivotal moment you will ever share with any prospect, as it will change their life forever. **You must know this script before you meet your first prospect.**

As a Certified Eternalization Specialist, your spiritual mindset coaching is only ever peaking. It is where everyone's eternalization process begins.

STEP 1- Introduce yourself to the prospect, have them tell you a little about themselves and ask them what resonated with them about the ad they answered to book this appointment..

STEP 2- Invite your prospect to experience a brief guided meditation peaking exercise with you, so they can experience firsthand the benefits and to quantify that their minds can get to the place where they can do this work. Get the prospect's approval to record the peaking and email it to them when completed.

STEP 3- Follow the peaking script below.

Peaking-Guided Meditation Script

Always record on Zoom, turn cameras off.

PART A- The Opening

1. Turn off cameras.
2. Before beginning, ensure the prospect is comfortable, that they won't be disturbed for the next 15 minutes, and that their phone is turned off or on silent
3. Wait for confirmation.
4. Excellent. To begin, I want you to close your eyes and count backwards out loud from 10 down to 1.
5. Beautiful. Now, I want you to change the focus of your attention from the outside of you to the inside of you. When you do, please laser-focus your attention on your breathing and let me know when you have completed this.
6. Excellent. Now, take two normal breaths and hold each breath for a silent count of 3. Let me know when you're finished.
7. Wonderful. Now, take two slightly deeper breaths, holding each breath for a silent count of 5, and let me know when you are finished.

Part B- The Awakening

1. I now want to ask your deeper unconscious mind, and spirit to send a signal from deep inside of you to your outer body. As you do, change the focus of your attention to scan the outside of your body with your awareness and tell me where and what that signal is, It will be something that you know is different; it could be a tickle, a twitch, a tingling, a warmth. Please tell me where and what your signal is.

Part C- The Connection

1. Wonderful, now at that exact point (always name the point) I want you to visually connect your inner spirit's conscious stream from the inside (location of sensation) with your outer conscious mind stream of consciousness, like your left hand and right hand

clasping together, and when you do a golden thread is going to release itself from your (location of signal)

2. A.) (**downward if the point is below the waist or upward if the point is above the waist**)

This is the wording for a downward flow. As your golden thread releases itself, many feel it and certainly visualize it moving down from the point (guide client down from point into the ground.)

Affirm (name of client, you're doing an excellent job). Now, I want you to take your golden thread right down to the center of the earth and anchor it there. Let me know when you have done that.

3. Beautiful now (name of client), I want you to come back up your golden thread, through your foot up your leg and into the base of your spine. (retrace how you sent it down)
4. **If the point above the waist begins here -Excellent (name of client)**, now I want your golden thread to come up out of (name location) and move up through the center opening within your spine. Slowly guide them through their spine up from where the point was felt, through their throat, and head up to their crown chakra center, and let me know when your golden thread and spirit are about ¼" above the top of your head through your crown chakra.

Part D- The Revealing

1. (Name of client) You're doing a great job. I want you to become the eyes at the end of your golden thread, which is your spirit. In a moment, we're going to release your spirit into timelessness. When it does, it will immediately reveal to you exactly what God and timelessness wants you to know and understand right now. It could be anything, anywhere, at any time.
2. Now (name of person), release your spirit and tell me what the very first impression you are receiving is. Do not think about it; allow it to come naturally. (It is very important to have a response within seconds)

Part E- The Peaking

1. Guide clients from whatever their first impression is. You will naturally know what to say, as God is speaking through you to guide your client into their most profound experience possible. This experience is already in their unconscious mind, and they are remembering it as it comes forward. (This is the prospect's first timeless experience through themselves and through you as the coach - you will be led to know exactly what to say)
2. Remember peaking is always confirming what God wants your prospect to know and understand right now from within their unconscious mind. They are moving into the predestined, timeless messaging of infinite intelligence and timelessness that they are meant to have revealed to them.

Part F- The End of the Peaking Experience

1. The end always happens when the prospect's experience slows down; it could last 10 to 15 minutes after their spirit releases itself. (Some sessions could go as long as 45 minutes)
2. When it does, bring the prospect back through their crown chakra and have them visualize the point where it began (always name this place)
3. When their attention is at this point, have them count out loud from 1 to 5 and then open their eyes.

Part G- Bridge

1. Congratulate (name of client) and ask them how this felt.

After a successful peaking book them with JC at this link-

Insights:

1. Before you meet your prospect, have the above link already open.
2. Share it on Zoom and have your prospect book the time that works best for them.
