

Welcome to the Coach's Corner — Your Sacred Hub for Resources & Updates

Dear Eternalization Coaches,

We're delighted to share the launch of Coach's Corner — a dedicated space created to support you as you guide others into remembrance, alignment, and divine coherence.

What You'll Find Here

The Coach's Corner will serve as your central hub for updates, announcements, training materials, forms, and shared templates. Everything you need to stay aligned in your work with the Church of Eden will now be in one easily accessible place.

At the top of the page, you'll also find a pinned post with a direct link to our [Google Drive Resource Library](#), where all documents and materials will continue to be added and refined as our collective grows.

 Together, we are building the infrastructure of light — a living field of wisdom, support, and unity. Thank you for the devotion you bring to this sacred work and for embodying the Edenic frequency in all you do. With infinite love and in divine service,

Beth Morris
